Once a winter storm emergency has been declared, an on-street parking ban will be put into effect on all city streets and all vehicles must be moved off the street at that time.

The parking ban will be posted on local radio and television broadcasts and on the city website at [www.pawtucketri.gov](http://www.pawtucketri.gov).

You can also call the police station at 401-727-9100 and dial ext. 888 on the auto attendant to check on a parking ban. To report a Storm Issue, email: [storms@pawtucketri.gov](mailto:storms@pawtucketri.gov).

During snow parking bans, parking will be available in municipal lots throughout the city. All vehicle owners are required by city ordinance to move their vehicles out of the designated municipal parking areas within two hours of a parking ban being lifted or face towing and a fine of \$100.

According to city ordinance, the owner, occupant or other responsible person shall have snow and ice removed from a sidewalk intended for pedestrians not later than the first 12 hours of daylight after the end of a snowstorm. Violations are subject to fines beginning at \$25 for a first offense.

Seniors interested in receiving shoveling assistance or students interested in volunteering can contact the Mayor's office by calling 401-728-0500 ext. 281 or by emailing [seniorsnowshoveling@pawtucketri.gov](mailto:seniorsnowshoveling@pawtucketri.gov).
