\*The state has been tasked with transitioning these reports to the "Transparency Portal" so that they will be searchable by the public. However, this particular report is considered to be in the "old" format, and as such is only available in pdf and will not have searchable data on the Transparency Portal website, www.municipalfinance.ri.gov. Eventually, reports in this format will be phased out and municipalities/school districts will be reporting in what is considered a "new" searchable format. Additionally, financial information presented in budget to actual reports are as of the close of the particular reporting period and representative of the time of its preparation. Figures are unaudited and not subject to update until the next budget to actual report.

\* Please indicate if the numbers provided for beginning fund balance are the best available estimate or audited numbers. Estimate \_\_\_\_\_ Audited   XX  

\*\* Please provide an explanation for any changes within the various fund balance classifications.

<b>Nonspendable:</b>	Amounts that are not in a spendable form (Example: Inventory) or are required to be maintained intact (Example: Principal of an endowment fund).
<b>Restricted:</b>	Amounts that can be spent only for the specific purposes stipulated by external resource providers (Example: Grants), constitutionally, or through enabling legislation. Effectively, restrictions may be changed or lifted only with consent of resource provider.
<b>Committed:</b>	Amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the government's highest level of decision-making authority. Those committed amounts cannot be used for any other purpose unless the government's highest level of decision-making authority removes or changes the specified use by taking the same type of action it employed to previously commit those amounts.
<b>Assigned:</b>	Amounts constrained by the government's intent to be used for specific purposes that are neither restricted nor committed are reported as assigned fund balance.
<b>Unassigned:</b>	This is the residual classification for the general fund and includes all amounts not contained in the other classifications. Unassigned amounts are technically available for any purpose. If another governmental fund has a fund balance deficit, then it will be reported as a negative amount in the unassigned classification in that fund. Positive unassigned amounts will be reported only in the general fund.
