
ADDENDUM THREE

Date of Addendum: MAY 23, 2024

NOTICE:

This Addendum modifies, amends, and supplements designated part of the BID DOCUMENTS for the project identified as “Request for Proposals No. 24-025, Operations, Maintenance, and Management for the Water Treatment Facility, Pawtucket Water Supply Board, City of Pawtucket” dated April 2024 is hereby made a part thereof by reference and shall be as binding as though inserted in its entirety in the locations designated hereunder. It shall be the responsibility of the Bidder to notify all subcontractors and suppliers he proposes to use for the various parts of the work of any changes or modifications contained in this Addendum. No claim for additional compensation due to lack of knowledge of the contents of the Addendum will be considered.

Proposal Clarification:

As described in Appendix A, the PWSB, through the Repair and Replacement Fund, will pay for all single item replacements exceeding \$20,000 in costs, exclusive of normal labor. (The \$20,000 number will be adjusted annually using the service fee adjustment index.) Repairs and replacements costing less than \$20,000 should be included in the annual fixed fee.

Question: Is the contractor responsible for the first \$19,999 of costs for all activities where the total cost exceeds the \$20,000 threshold described here and elsewhere in the RFP?

Answer: Contractors will be responsible for the first \$19,999 of costs for all repairs and replacements as part of the annual fixed fee following the terms set forth in the RFP. Amounts exceeding the \$19,999 for any single event will be covered through the Repair and Replacement Fund.
