***** Addendum #1 *****

RFQ # 25-004

Design Services – Senior Center Relocation

September 6, 2024

The attention of bidders submitting proposals for the above-referenced project is called to the following Addendum to the Request for Proposals indicated above. The items set forth herein, whether of omission, addition, substitution or other change, are all to be included in, and form a part of the proposed Contract Documents for the work.

Inclusion of this Addendum must be acknowledged in the spaces provided in the document entitled “Request for Qualifications RFQ #25-004 – Design Services – Senior Center Relocation.” Failure to acknowledge any and all addenda in the above specified bid form may be cause for rejection of the bids by the Owner on the grounds that it is not responsive.

This Addendum consists of 2 pages and 1 attachment, sign in sheet

ADDENDUM ITEMS

1. SIGN-IN SHEET

ITEM 1-1: Sign-In Sheet from Pre-Bid Conference held on August 24, 2024 is attached hereto.

2. Answers to questions received (answers in bold)

1. *What is the project budget?* **We do not have a final project budget as of now and will be discussing this with the chosen team during the negotiation phase. It is the City’s intent to reuse as much of the existing furniture & resources in the existing Freight Street building as possible but will also rely on the expertise and recommendations of the chosen design firm.**
2. *What is the project timeline?* **Due to the condition of the existing City Hall building, we would like to fast track the design drawings and construction phase of the project.**

3. *Is a complete renovation of the parking lot and site part of this project? A complete renovation of the parking lot is not anticipated, but there could be some smaller tasks for a landscape architect based on the recommendations received.*
4. *Can the contents of the qualification statement listed in Section 4.2 be included in any order or should they follow the order listed? Section 4.2 is a recommendation for the qualifications and can be presented in the best/easiest way the vendor chooses.*
5. *When the building was previously renovated, did any historic requirements apply (being in close proximity to the Royal Weaving Mill)? The building was just recently purchased, any historic requirements are unknown at this time.*
6. *Is the Adult Day Center part of the relocation program? It is unknown at this time if the Adult Day Care will be part of the relocation.*
7. *Was a study of the existing building completed? No, there was no study completed.*
8. *The RFQ lists the services of a structural engineer. What scope of work do you anticipate for this discipline? These services are unknown and depend on the proposed upgrades of the existing building during the design phase.*
9. *Can you provide an approximate square footage for the current senior center? The Senior Center is approximately 7,500 SF and the adult daycare is 4,075 SF.*
10. *Is there someone in particular the proposals should be addressed to other than "purchasing office"? How many copies of the proposal are required to be submitted? Please address the qualification package to Peter Wingate, Purchasing Director.*
11. *Is there a list of state vendors the City uses for FF&E? There is no preferred list for FF&E vendors.*
12. *We understand that Pawtucket has very strict MBE participation requirements. Please tell us if these requirements are applicable to the two projects listed in the RFPs. Usually, the minority participation is included in the scoring criteria for the proposal evaluations. The DBE/MBE goal is 10%*

Eric Hammerschlag
