AGREEMENT

This Agreement entered into between the City of Pawtucket, Rhode Island, hereinafter referred to as the "Employer" and Rhode Island Council 94, of the American Federation of State, County and Municipal Employees, AFL-CIO, on behalf of the City of Pawtucket Municipal Employees, hereinafter referred to as the "Union", and Local 1012.

PURPOSE

It is the purpose of this agreement to encourage and promote a harmonious and cooperative relationship between the City and its employees by providing for procedures which will facilitate free and frequent communications between the City and the employees of the City of Pawtucket.

ARTICLE I **RECOGNITION**

1.1 The City of Pawtucket its successors and assigns recognizes the Union as the sole and exclusive collective bargaining representative for those employees in the defined bargaining unit for the purposes of collective bargaining with respect to rates of pay, hours of employment, and other conditions of employment.

1.2 The bargaining unit consists of all City of Pawtucket municipal employees as defined in the Rhode Island Labor Relations Board Case No. EE 1748, except those excluded under Chapter 9.4-2 of Title 28 of the General Laws of the State of Rhode Island as amended.

ARTICLE 2 **NON-DISCRIMINATION**

2.1 The provisions of this agreement shall apply equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation, sexual orientation, sexual preference, gender identity, or any other prohibited basis of discrimination.

The Union shall share equally with the Employer the responsibility for applying this provision of the agreement.

2.2 The City agrees that it will not discriminate against, intimidate or coerce any employee on account of his Union membership or on account of his legitimate activities on behalf of the Union, nor shall the City discriminate against, intimidate or coerce any employee exercising his rights to bargain collectively through the Union.

3.1 The Employer agrees to the continuance of a Union Check-off system whereby Union dues and/or Service Fee Charges, upon written authorization to the Union, will be withheld from the employee's pay at source. Such withholdings are to be transmitted by check at intervals of no greater length than thirty-one (31) days, made to the order of Rhode Island Council 94, AFSCME, and accompanied by a list of employees paid. Once the Munis system has been fully implemented, the City shall provide, on a monthly basis, to the Union Controller, an electronic reporting roster in an excel spreadsheet format.

3.2 (a) The parties agree that employees who are covered by this agreement shall have the right to voluntarily join or refrain from joining the Union.

(b) Newly hired probationary employees shall have the right to join the Union upon start of employment. The parties agree that the Employer shall have the unquestioned right to discharge probationary employees and such employees shall not have recourse to the grievance procedure. The parties also recognize that the above mentioned probationary period shall be six (6) months employment with the City.

3.3 The employer will not aid, promote or finance any other labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization, or with any individual, so long as the Union is the bargaining representative.

3.4 Local 1012, AFSCME, hereby agrees to indemnify the City and hold it harmless from any and all claims, demands, and the cost of litigation for any action arising from the provisions of this article.

3.5 The City shall provide to the Union President and the Union Executive Director, on a quarterly basis, the following information on every employee covered by this Agreement: Name, address, phone number, birthdate, date of hire, classification and location.

8.2 All full time and part time employees, with the exception of crossing guards, who have been continuously in the employ of the City for a period of six (6) months and who work a special workweek which consists of less than five (5) days shall be entitled to a vacation leave with pay of one (1) calendar week, depending on the number of work days in their regularly scheduled work week.

8.3 All full time and part time employees, with the exception of crossing guards, who have completed one (1) year of continuous employment with the City shall be entitled to a vacation leave with pay of ten (10) working days with pay or two (2) calendar weeks, depending on the number of work days in their regularly scheduled work week.

8.7 All full time and part time employees, with the exception of crossing guards, who have completed twenty (20) years of continuous employment with the City shall be entitled to vacation leave with pay of thirty (30) working days annually or six (6) calendar weeks depending on the number of work days in their regularly scheduled work week.

8.8 Vacation leave may not be accumulated to exceed ten (10) calendar weeks. However, employees shall not lose time as it accrues over ten (10) weeks during the course of the fiscal year.

8.9 Employees shall not be called back to work while on vacation except for emergency work. If an employee is called back from vacation for emergency work, he or she shall receive the regular vacation pay plus time and one-half for the time he or she has worked.

8.10 Employees must give a minimum of thirty (30) days notice for vacation leave. Such leave will be granted consistent with operational requirements as determined by the City. All vacation requests must be posted in each department. The Department Head shall respond to each request between the 20th and 25th calendar day after the request has been made. Senior employees must make challenges in the event of conflicting requests no later than the twentieth (20) day. In the event of conflicts between or among employees then employees with greater seniority shall be given the choice of vacation. Notwithstanding the foregoing, once the vacation request has been granted, employees shall not be allowed to exercise seniority rights over a less senior employee. Employees shall be allowed to request vacations up to one (1) year in advance.

8.11 Vacation leave of less than one (1) week shall be granted without a thirty (30) day notice, consistent with operational requirements, with the approval of the Department Director or the employee's Immediate Supervisor.

Each Police Signal Operator shall be permitted a first selection per shift assignment by seniority. After each Police Signal Operator within the respective shift assignment has made that selection, then a second selection shall be made by seniority. "Selection" for the purposes of this section means a continuous period of time ranging from one day up to the maximum of eight (8) working days. Each employee shall have selected his/her vacation by the end of December. The completed vacation schedule shall be posted on or before January 15 of the calendar year in which all vacations are to take place.

After vacations are selected in the above-stated manner, an employee's vacation shall be selected on a first requested basis. However, with respect to this portion of the employee's vacation entitlement, an employee may not request such vacation time more than ninety-five (95) days in advance, and the request must be in writing or electronically mailed and dated.

Once an employee selects vacation days, the employee shall not be allowed to cancel said vacation days during the months of June, July and August or Christmas week, Easter week, and Thanksgiving week unless the employee can show just cause (i.e., bereavement leave, sick leave, family emergency, etc.) or financial loss or hardship.

9.2 A two (2) working day notice must be given for all requests of Personal Leave Days except in the case of an emergency. In the event of an emergency, an employee must notify his or her supervisor prior to the beginning of his or her work shift.

ARTICLE 10
SICK LEAVE/SICK BANK

10.1 Sick leave shall be granted to all employees at the rate of one and one-quarter (1¼) working days for each full calendar month of service, which equates to fifteen (15) sick days per year. Sick leave shall be granted to all bargaining unit employees on a pro rata basis based on the hours worked in the employee's normal work day. No sick leave accruals will be credited until the end of a newly hired employee's probationary period. At the successful completion of a newly hired employee's probationary period such sick leave accruals will be credited retroactively to the employee's date of hire.

10.2 An appointing authority shall require a physician's certificate for each sick leave with pay over an absence of more than five (5) days. Any employee who uses two (2) or more sick days without a physician's certificate in any calendar month may be subject to counseling and, if the employee's attendance does not improve, progressive discipline.

10.3 Sick leave with pay may not accrue beyond a total of one hundred fifty (150) days, and no employee shall be granted more than one hundred fifty (150) days sick leave with pay in any one calendar year. On the date of the ratification of this contract, any employee who has accrued over one hundred fifty (150) sick leave days shall be allowed to keep those additional days and shall not lose those additional days. However, once an employee's sick leave accrual decreases to an amount less than one hundred fifty (150) sick leave days, then the employee's sick leave with pay may not accrue beyond a total of one hundred fifty (150) days.

10.4 Sick leave is hereby defined to mean the absence from duty of any employee because of illness, bodily injury or exposure to contagious disease.

10.5 Sick leave may also be granted for attendance upon a member of the family within the household of the employee whose illness requires the care of such employee, provided that not more than seven (7) days with pay shall be granted to employees for this purpose in any one calendar year.

10.6 When an employee finds it necessary to be absent for any of the reasons specified in this article, he shall cause the fact to be reported to his Department Head or immediate supervisor

before the beginning of his daily duties. Sick leave may not be granted unless such report has been made.

10.7 Sick time abuse is defined as an employee using sick time for any purpose other than that allowed under this Agreement, or any other circumstance in which the employee's use of sick leave is suspect. If an employee is deemed to have abused sick leave privileges, the appointing authority may suspend the employee's privilege for sick leave pay for such period of time as the appointing authority determines necessary to deter the employee from again abusing such privilege. The determination of the appointing authority shall be subject to the grievance procedure in accordance with this agreement.

10.8 Upon retirement or termination, except for just cause, any employee having to his or her credit unused sick leave, shall be entitled to a lump sum payment equivalent to fifty (50%) percent of his or her accumulated unused sick leave. Upon death, any employee having to his or her credit unused sick leave shall be entitled to have paid to a designated beneficiary a lump sum payment equivalent to fifty (50%) percent of his or her accumulated unused sick leave. The aforementioned payments shall be based upon a daily rate of one-fifth (1/5) of the employee's regular weekly salary at the time of his or her death or retirement. Each employee is required to furnish on a form provided by the Personnel Office the name or names of the designated beneficiary or beneficiaries of the foregoing death benefit.

10.9 Employees, who during the preceding year, have not had any absences due to normal illness shall be entitled to three (3) additional personal days. Employees who are absent due to normal illness of not more than one (1) day shall be entitled to two (2) personal days. Employees who are absent due to normal illness of not more than two (2) days shall be entitled to one (1) personal day. Absences due to family illness shall be charged in accordance with the above mentioned schedule. Employees who do earn additional personal days shall be entitled to take them with the permission of their department head in the next fiscal year.

10.10 Sick Leave Bank.

(1) The parties agree to establish a Sick Leave Bank Committee, which shall be responsible to administer a Sick Leave Bank subject to the terms and conditions set forth herein and such rules and regulations as may be promulgated by the Sick Leave Bank Committee.

(2) The Sick Leave Bank Committee shall be composed of four (4) members, two (2) of whom shall be appointed by the President of the Union and two (2) of whom shall be appointed by the City.

(3) Decisions of the Sick Leave Bank Committee to grant sick leave bank days shall be by majority vote, shall be final and binding, and shall not be subject to the grievance and arbitration provisions of this contract.

(4) Employees must make contributions to the Sick Leave Bank on January 2 of each calendar year. Any employee who does not contribute to the Bank shall not be eligible to apply

to the Bank for any sick leave. An employee with less than ten (10) accumulated days of sick leave shall not be permitted to donate to the Sick Leave Bank under any circumstances. All employee sick leave contributions to the Sick Leave Bank are irrevocable and without any reversionary rights to the donor-employee.

(5) The Sick Leave Bank Committee shall review the sick leave utilization of any member of the Sick Leave Bank who applies for sick leave from the Bank. Sick leave will not be granted to an applicant with evidence of prior sick leave abuse in his or her personnel file or attendance record. Prior utilization of sick leave does not by itself indicate sick leave abuse.

(6) An employee shall be entitled to apply for or use sick leave days from the Sick Leave Bank only for the employee's illness or injury, not for the illness or injury of any family member, spouse, or domestic partner.

(7) Prior to granting sick leave, the Sick Leave Bank Committee shall require competent medical evidence of an employee's catastrophic illness or injury, which is not job-related. No employee who is or has received Workers' Compensation benefits or Temporary Disability Act benefits shall be eligible to apply for or receive sick leave bank days.

24.11 Employees with permanent status will not be separated from City service through a layoff action without first being offered positions that they have the skills and abilities to perform that are currently held by temporary or probationary employees. Temporary employees will be separated from employment before probationary employees.

24.12 Whenever it becomes necessary to increase the working force, laid off employees shall be recalled in the inverse order of their layoff before any new employee is hired. Laid off employees shall retain recall rights for three (3) years from date of layoff.
