Resident parking stickers and guest permits would expire every two years.

To apply, residents must show a valid Rhode Island motor vehicle registration registered in the name and address of a person living within the Stadium Zone for each requested vehicle.

One guest permit is allowed per residence. One temporary pass is allowed for residents who have not yet changed their address on their motor vehicle registration.

A temporary pass is valid for **60 days**. To obtain a temporary pass, residents must have a valid motor vehicle registration showing the name of the resident and one of the following: a copy of a Pawtucket tax bill, utility bill, bank statement, income tax return, pay stub, current deed or lease/rental agreement addressed in the name of the resident and to that residence.
